REFLECTIVE 70'S GRAPHICS ON NEW FLYWEIGHTS CONSTRUCTION

WE'VE DEVELOPED AN ULTRA THIN BOARD THAT IS SIMPLY THE LIGHTEST STRONGEST BOARD WE'VE EVER MADE. NO GIMMICKS, NO BULLSHIT FAKE CRAP THAT WON'T BENEFIT YOUR SKATING. USING ONLY 100% USA HARD ROCK MAPLE, FLYWEIGHTS UTILIZE AN EXCLUSIVE CONSTRUCTION OF FIVE SUPER THIN PLYS, AND TWO DOUBLE BAND PLYS. DESIGNED TO MAXIMIZE STRENGTH WITHOUT SACRIFICING WEIGHT. OUR NEW FLYWEIGHTS JUST MAY BE THE LAST BOARDS YOU'LL EVER RIDE. GUARANTEED.

SPITFIRE

Some things never change. Believe it.

Once again, it's a tough one getting this catalog together. Twice a year, for a couple weeks at a time, it seems like we spend more time in this dirty art room than we do at home. It's cool though. This catalog means that much to all of us. It is always more than just a collection of new products. The stuff in this catalog reflects our commitment to skateboarding and our desire to only put out the best skateboard stuff you can ride.

We've heard how people are crying about how skateboarding has changed. It's been ruined by outside forces, by people trying to jump on the next gravy train bandwagon. We don't see it that way. Truth is, those people can only ruin what you let them ruin. As far as we're concerned they will never have any power whatsoever over skateboarding. Skateboarding is still what it has always been to us, pure and simple. Skateboarding is about going out and riding. Pushing as fast as you can. Trying things you've never done before. Sessioning with friends. Living in the moment and craving the next. Skateboarding is forever. It will never change.

Thank you for your support,
cheers

WE ARE COMMITTED TO MAKING THE FINEST, MOST AFFORDABLE SKATEBOARD PANTS AVAILABLE. ALL OUR DENIM PANTS ARE CONSTRUCTED WITH ONLY HAND PICKED LEFT HAND WOVEN HEAVY WEIGHT DENIM. WE USE ONLY LEFT HAND WOVEN DENIM BECAUSE IT IS SUPERIOR TO THE CHEAPER RIGHT HAND WOVEN FABRIC THAT THE MAJORITY OF PANTS IN SKATEBOARDING ARE MADE WITH. LEFT HAND FABRIC ALLOWS THE YARN TO STAY TIGHTER AND FLATTER SO THE PANT FEELS LIGHTER AND WITHOUT LOSING ANY OF ITS DURABILITY.
